There must be something in the water!

YSA Sailor of the Year.

During a recent committee meeting, representatives from Yachting SA presented the 2014 *Sailor of the Year* award to Peter Dunk (*Sixth Element* skipper). The committee was honoured and delighted to witness the acceptance of this prodigious award by the current MCASA president.

(Peter's Facebook posting) Thank you to the SA Mosquito association for putting my nomination in, especially Phillip Pearce and Peter Hallsworth for doing it all. It's a great honour to be nominated by fellow sailors. Tops off the great season we had last season. Thanks to Jaimee Broekers for dealing with all the sailing stuff,

Kirsten for being no1 crew; wouldn't have won nationals or states without her, and Kate Hyde for being an awesome substitute crew for the Vic States win.

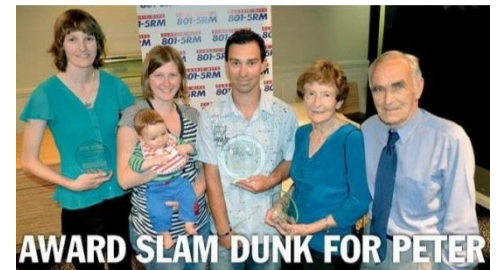

(See following in *MossieNet* for the MCASA submission for Peter's nomination.)

But wait, there's more!!

Congratulations to Kirsten Thomas (*Sixth Element* crew) for being nominated as a finalist in the 2015 *Riverland Sportsperson of the Year* for her sailing and netball achievements.

Also to Peter Dunk (*Sixth Element* skipper) for not only being nominated as a finalist, but also for being the overall winner, and now holding the title of 2015 *Riverland Sportsperson of the Year* (amongst all his other achievements).

Stalwart Lake Bonney YC member, Dorothy Dunk was also a finalist in the 2015 *Steve McFarlane Contribution to Sport* for all she has done for the Lake Bonney Yacht Club.

2015 5RM, SGIC, Berri Hotel Sportsperson of the Year Peter Dunk (centre), with regular crew member Kirsten Thomas (left), partner Jaimee Broekers and son Kai, 5 months, and grandparents Dorothy and Mervyn Dunk. (Sunday Mail)

We are being watched.

It was great to catch up with 'Olde Mossie Salts' Alec and Mary Stevens at the Wallaroo states. Alec is a life member of MCASA and past owner of many a mossie, his last being Allan Pettman's current boat, *The Ultimate*. (Alec was proudly wearing the gold mossie tie-pin presented to him by the association in recognition of his past dedication to the class.) He was excited to watch the racing, appreciating the quality and closeness of the competition. He is very pleased with the strength of the class, the way it is being supported and promoted, particularly in the country clubs.

South Ossie with Mossie

States: Conducted at Wallaroo SC in November: Saturday had strong winds with only 3 Mk1 boats venturing out to the start. All boats and crew completed the three-lap race with some relief. Whilst waiting for the second start, the RO cancelled any further racing and the subsequent shy reach into shore was an exhilarating experience, putting smiles back onto all three faces! Dinner Saturday evening in the new and expanded clubrooms was a most enjoyable evening. WSC are justifiably proud of their recent upgrade, not to mention the quality cuisine presented to the diners.

The wind abated over night as promised with rigging Sunday morning being a relaxed atmosphere but filled with restless anticipation. The start was off-

shore so boats left the beach early allowing sufficient time to reach the start area by 10am. Whilst all boats gathered an ideal breeze saw many crews exercising prestart warm-ups. But the

breeze was fading and by start time, all crews were gunwale bumming. With Mk2 fleet starting first, all boats managed to complete their two lap race along with Mk1 *Cat-titude* before the wind collapsed. The remainder of the Mk1 fleet finished eventually but, as it happened, well outside the 20 minute limit.

The race officials decided to tuck into their cucumber sandwiches and pumpkin scones whilst the wind 'boxed the compass' with it eventually settling into a SW sea breeze. Wind strength gradually built during the afternoon topping out at ~18kts. What a difference fair,

consistent wind makes to the sailing. All crews were ecstatic with the close, competitive racing that resulted in a further three races being completed before the 2pm close. As the Mk2 fleet had completed four heats on Sunday, they had the minimum number of races for the championship. Peter Dunk and Kirsten Thomas were clear winners with 3 firsts.

With some Mk1s sailing Saturday, 5 races were recorded so one could be a discard. There was some confusion on the beach if any other boats had finished that drifter. The fleet calculated Mark Pfenning had the better score than Phillip Pearce.

Celebrations and congratulations took place on the beach during de-rigging and continued in the club house during farewells.

But the official results told a different story!

Nationals:

Season 2015 – 2016:

Competitors from South Australia are in their final stages of preparation for this season's championships. All participated in the States recently at Wallaroo and had a solid work-out in varying conditions. If you know a club member who is travelling to Rye, wish them well for their week of sailing. If you are a participant, best of luck from the SA association and may you all have fair winds.

Accommodation: several committee members are active in organising accommodation as the Rye district is booked out years in advance. Greg Hackett (0428 292 315)

Nationals season 2016-17, South Australia. The committee has made a decision as to the venue and will announce final dates at the national AGM, after consultation at the national level (NMCC).

Discussion is currently taking place for 2017-18 being in Queensland. Further information will be available after the national AGM referred to above.

Club Events:

Adelaide: Opening day was a beautiful day to be on the water. The fleet had its

usual sail-past-the-officials course. Repeat laps until told to stop. What fun! Two mossies gave polite cheers to the commodore as they sailed past the official guests on catamaran *Temptation*.

Aldebaran VI doffs his hat.

Pt. Vincent: On October 11 2015, over 100 sailors, invited guests, members and family gathered to officially open our new clubhouse extensions and open the sailing season. It was an incredible day on and off the water for all involved. A very proud moment for the entire club. Special thanks to Mark Pfenning *The Matrix* (LBYC) for reciprocating and supporting our season's opening.

The mossie fleet congregates at the mark, Pt. Vincent YC

Lake Bonney: LBYC held its opening regatta over the past long weekend. The weekend was set off with the official season opened by former long-time member and past Commodore Mervyn Dunk. Apart from our local sailors, visitors came from as far as Mildura, Lake Boga, Adelaide and Port Vincent.

Nineteen boats hit the water over the two day regatta for all five scheduled races. Conditions were perfect for sailing and although the temperature was hot, the wind on both days averaged 15 knots gusting into the 20's which caught out quite a few sailors over the weekend resulting in them testing the water temperatures.

There was a lot of close racing across the four divisions with several finishes coming down to metres. Thanks to the 18 foot skiffs from Adelaide, local monos, cats and visiting mosquitos.

Mosquitos:

1st- *Bear Talk* - Garry Johnstone (Lake Bogga)

2nd- *The Matrix* - Mark Pfenning

3rd- *Cat-titude* - Steve Thomas

Also- *Goodnight Nurse* – Greg Hackett (Pt Vincent)

Misc Catamarans:

1st- The wild toy - Tom Luitjes & *Peter Dunk*

2nd- *Talisman* - John Eshman

3rd- *White Knuckles* - Kym Luitjes & *Kirsten Thomas*

Opening Day, Lake Bonney

Somerton: Some archives of Mossies sailing at Somerton YC.

Normanville:

Opening day had 5 mosquitoes on the water: club boats *Rebel without a Clew*, *Spot* and *Zapper*, supported by visitors *Both Barrels* and *The Ultimate*. Normanville continues to a popular location for the Mossies to sail. Although club facilities are minimal, visitors are always made welcome by the regular members. Try Sunday sailing at Normanville.
